Workers Seek To Complete Chest Drive

To Make Last Appeal to Albany Citizens for Funds, Pledges

With more than half of the time allotted to the drive already gone, and with less than 50 per cent of the quota obtained, the Community Chest volunteer workers in Albany are preparing to redouble their efforts in the nine days remaining.

A report from C. E. Morris, director of the drive here, reveals that only \$441 has been secured so far, which means that the workers are facing the task of obtaining \$1144 in this city in the short time remaining, if the quota is to be reached and the social service agencies of Albany are to be permitted to go through the current fiscal year without the necessity of "tightening their belts."

Albany has been fortunate that the Community Chest Drive is made in conjunction with Berkeley. The local quota has already been reduced from \$3,000. To date Berkeley's drive is proceeding with great success and it seems certain that the full quota of \$140,000 will be reached by that city.

BERKELEY MAY AID
This will mean that if the people here do not care for their own distressed, sick and impoverished, through donations to the Community Chest, some of the money collected in Berkeley will be diverted and used for that purpose here.

This is, of course, all right as far as the support of the city's agencies and needy are concerned, but it seems to be a sad commentary on the charity and humanity of those in Albany who are in a position to give to this cause and do not.

Morris and his aides are confident that when this condition is called to the attention of the citizens of Albany that they will rally to aid the campaign and place the city where it rightfully belongs when it comes to "taking care of its own."

MAKES LAST PLEA

Everyone who has not been contacted and is willing to help in this annual drive is asked to get in touch with Morris at Thornewall 2949, and a worker will call to secure a donation.

Following are the reports of the various Captains in the campaign:

Quota Secured Pct.

Mrs. R. Hanson \$600 26.6

Mrs. F. E. Pierson \$260 27.7

Mrs. M. Haines \$150 45.5

Mrs. Mel Avila &

Mrs. Grace Higgins \$555 22.1

Deadline Set For Licenses

Motorists who do not have their 1937 license plates on their cars by March 1, will be subject to arrest, Howard E. Deems, Registrar of Vehicles, announced today.

Orders to the California Highway Patrol to stop all cars bearing 1936 license plates and to give citations to those who cannot offer satisfactory evidence of having applied, were issued today by E. Raymond Cato, Chief of the Patrol.

Officers were instructed also to stop and warn all out-of-state cars, which have not secured 1937 Non-Resident permits.

No Vacancies, Pair Buy Home

"We couldn't find a house to rent so we bought one."

Thus might Mr. and Mrs. Ray J. Meyer, now living at 1027 Masonic Avenue, explain their decision to secure a home from C. M. MacGregor, local contractor and builder.

Coming here from Los Angeles with their furniture and household goods, the couple vainly searched the city for a place to live. After seeing the futility of trying to locate a vacant house here which they could rent, they decided to buy one.

Principal Tells Of Card Party

Although complete returns have not been ascertained as yet, the card party recently given under the supervision of Mrs. Marie Ruiz was declared to have been the most successful ever undertaken according to Charles Moore, principal of Albany High School.

There were enough persons present to fill 30 tables and 50 awards were presented to the holders of high scores.

Realizing that a victory next Thursday night will give them the championship of the East Bay Chevrolet teams, members of the Murphy Chevrolet basketball team are hard at work on polishing up their many versatile players.

On that date the local players will meet the Chevrolet Motors of East Oakland for the title, having earned the game by virtue of their recent defeat of the Fisher Body team by a 44-4 score. A future game with a five from San Francisco will decide the Bay Region championship, Manager Bill Winkenbach reported.

"Bass" Law Is Discussed at Sports Meet

Bert Jordan, local sporting goods dealer, had an interesting message to deliver last Friday night at the meeting of the San Pablo Avenue Sportsmen's Club, having attended a State meeting of the Associated Sportsmen at the Chamber of Commerce Building, Sacramento, the previous evening. Forty clubs throughout the northern part of the state were represented by 273 members, he reported.

The most vital issue which came up before that body for discussion were plans for defeating Assembly Bill 1535, more generally known as the "bass bill" which was introduced to the State Legislature by a Mrs. Reeves of southern California which favors making the striped bass a commercial fish.

Wrote this bill to become a law, Jordan declared, every "striped" in adjacent waters would be removed within three months.

Furthermore, he said, it is decided against the interest of persons concerned, there being 82,000 sportsmen in the bay district, as compared with only 312 commercial fishermen.

Fifty members were on hand at the Albany meeting, at which Harvey Skee, president, presided, and during the business meeting new committees and officers were appointed, according to John McAuliffe, secretary.

They were: Harvey Skee, re-elected president; Dr. Robert Taylor, re-elected vice president; John McAuliffe, re-elected secretary; Art Smythe, Martin Blim and H. Walters, trustees; Bert Hartzell, entertainment chairman; Lieut. C. A. Coggins, upland game bird committee chairman; law enforcement chairman, Bert Jordan; pollution chairman, H. Walters; and fresh water fish chairman, L. Pacheco, and legislative committee, W. Vines, F. V. Kline and L. Eustice.

With Councilman George Batchelder acting as mayor in the absence of Mayor O. C. Yenne, the City Council convened Tuesday evening for a short business session.

Following the recommendation of H. L. Dugert, city building inspector, permission was granted to Raymond and Schafer, realtors, to move a four-room house to a site on the west side of Madison Street, south of Solano Avenue. The building is to be moved from Second and Gilman Streets, Berkeley.

Property owners adjacent to the new location of the house have expressed their approval of the action, the council was informed.

Dugert was allowed a period of one week to complete his survey of conditions on Portland Avenue in the district where recent heavy rains caused the storm sewer to overflow into the basements and garages of residents. This resulted in a number of complaints to the council at its meeting last week.

At the motion of Councilman

Will Celebrate 5th Anniversary

A Past Commanders' meeting to which the Sir Knights have been invited is being planned for the first Wednesday in March by the Albany Hive of the Maccabees, according to Mrs. Florence Bell.

A southern dinner is being planned by the group for tomorrow night. It will be given at the Macabees Temple.

Dads Invited To Gay Show On Thursday

"Are you a good shot?"

The weapon may be a powder puff or it may be a gun, but the answer will not be out until Thursday night, March 4 at 7:30 p. m. when the dramatic Club of the Cornell Parent-Teacher Association will present the play "The Smell of Powder" by John Kirkpatrick.

This fast-moving, rollicking farce full of action and laughs is directed by Mrs. Grace Salmon, and the cast includes Mrs. Theodore Swanson as Lavinia Gibson, a spinster; Mrs. O. K. Walton, as Eloise, a friend; Mrs. Gordon Owen as Ruth, Lavinia's niece; and Hamilton P. Galt as Captain Hodges.

The Cornell School Orchestra under the direction of Armin Wegner will play several numbers following the installation of the new officers of the Cornell Parent-Teacher Association. Mrs. Bernard F. Hemp, president of the Berkeley Council, will be the installing officer, and the following will be installed as officers:

President, Mrs. Charles B. Lyon; First Vice President, Mrs. Errol Hayes; Second Vice President, Mrs. Alta Thompson; Secretary, Mrs. W. E. Dutrow; Treasurer, Mrs. John Brunstein; Corresponding Secretary, Mrs. A. E. Oakley; Financial Secretary, Mrs. Lee R. Hudson; Historian, Mrs. A. North; Auditor, Mrs. John Kane; Parliamentarian, Mrs. Maxine Welch.

After the meeting refreshments will be served in the cafeteria under the direction of Mrs. Laura Pestana, tea hostess.

This meeting has been planned particularly to please the dads, and a cordial invitation is issued to them and to all those who live in the district. Mrs. Glenn Chappell is program chairman.

Rally Brings Win to Team

Perhaps the Murphy Chevrolets suddenly remembered that one of their players, R. Fitzgerald, second baseman, had become the proud father of a baby boy during the week, or it may have been for some other reason that they came from behind in the seventh inning last Sunday to beat the Mantle Club of Oakland to the score of 8-4.

Art Eppson pitched for the winners, allowing eight hits and striking out six batters. He also accounted for four hits. Jim Dorenzo got three hits and Ed Borba and Jim Prince scored two each. J. Connors was responsible for a double. Fine catching by Jim Flavin aided the win.

Larry Guay, Murphy pitcher who reported to the San Francisco Seals' training camp during the week, played second base.

A Seal scout who witnessed the game tried to induce Art Eppson to report to the training camp, but his offer was refused since the young pitcher wishes to first complete his education at Albany High School where he is now a student. He is the son of Mr. and Mrs. Walter Eppson of 831 Adams Street.

I. R. Storm is now operating the meat department at Martino's Market.

The event, announced Ryken, will be held at the Macabees Temple on the morning of Sunday, March 7, and all members of the Women's Breakfast Club, the rival group, are invited to attend as guests.

The original charter members of the men's club will be special guests on the occasion, he promised, and the beginning of the organization will be recalled with an appropriate program.

Ryken refused to divulge any of the entertainment features which he has secured, but declared that they were sure to prove of interest to all who show up on that important morning.

Honor Court Is Held for Local Scouts

Fire demonstrations, a travolgue and talk, and the presentation of badges and awards comprised the program of the Court of Honor and investiture given by Boy Scout Troop No. 46 at the Albany Community Church gymnasium last evening.

A group of new Scouts were introduced by Scoutmaster Berle Murray. Ernest Brown, committee man, then presented the following awards:

Tenderfoot badges: Eugene Lee, Bob Olson, Darrell Ferguson, Dick Jackson, Ray Drew, Donald Kaer, and Howard Marks.

Second class: Billy Brown, Donald Murison, Robert Olson, Fred Colver, James Anderson and Jack Schaeffer.

First class: Basil May and Donald Bishop.

Special awards of miniature First Class badges were then presented to the following mothers: Mrs. Irene Jungnickle, Mrs. Savio, Mrs. May and Mrs. Bishop.

A Patrol banner was next given to Flaming Arrow Patrol and two contest awards were received by James Anderson and Billy Brown for wrestling.

Service stars were then passed out to John Jungnickle, Lowell Jackson, Donald Marks, Donald Bishop, James Burke, Fred Colver, and Dante Mazzoni.

Charles McGaw, one of the committee men, and Berle Murray were also recipients of awards.

The Court of Honor in which a group of boys recited the Scout laws was conducted by Berle Murray. They were later addressed by the Berkeley Scout commissioner.

After the exemplification of woodcraft and a lecture by H. Macabee, refreshments were served by mothers of troop members.

To celebrate the first anniversary of Troop No. 42 of the Boy Scouts, a special program will be given by the Marin Dads Club, sponsors of the group, at the Marin School at 8 o'clock next Tuesday evening, according to Stuart Ebner, publicity chairman.

This will include a Court of Honor as well as an investiture and will be held at a Dads' Club meeting.

Following his plea of not guilty on a charge of negligent homicide before Judge Oliver Youngs in police court Wednesday night, Joseph Lund of 1335 Gilman Street, Berkeley, was today being held in the county jail in lieu of \$3,000 bail.

The complaint, signed by Officer Harry Stevenson and issued by Arthur Sherry, deputy district attorney, followed the death of Julius Haupt of Berkeley in an accident here on January 4. Lund, the driver of the car in which Haupt was riding, crashed into the rear of a Southern Pacific Company maintenance truck at Solano and Masonic Avenues early that morning.

Also injured in the accident were J. Murphy of Berkeley, Mr. and Mrs. Clarence Daugherty of 932 Jackson Street and Mrs. Jean Walke of 936 Adams Street. All were passengers in Lund's car. The driver suffered a cut leg and a fractured right arm.

BERKELEYAN FINED

J. Roy Latimer of 2110 Parker Street, Berkeley, was fined \$75 by Judge Youngs when he entered a plea of guilty to the charge of reckless driving. Latimer, arrested here by Officer Stanley Williams on December 16, was assertedly driving in an irrational manner on San Pablo Avenue and had been drinking.

Officer Williams testified as to making the arrest and as to the driver's condition at that time, stating that Latimer was not intoxicated enough to be arrested for drunken driving. Latimer surrendered the keys to his car and slept for several hours before driving on, the officer disclosed.

Latimer was at liberty on \$75 bail, court records show, having failed to make an appearance here at the required time last month.

CROWDED CALENDAR

A total of 99 cases appeared on Wednesday's calendar, according to Mrs. Myrtle McLean, court clerk. Eighty-three of these were for violation of the traffic signals at Solano and San Pablo Avenues.

All but one of these violators who appeared entered pleas of guilty and paid fines of \$2. The lone person who demanded a court trial on the charge was John R. Heinz, who was ordered to appear in court on Wednesday, March 3.

For speeding 50 miles an hour in a 25-mile zone, W. R. Hansen was also ordered to make an appearance on that date, following his guilty plea. Asked by the judge why he was driving at that rate of speed, Hansen replied that he was "just driving along."

"Well, you can't do that here!" was the judge's rejoinder.

Scouts' Party Was Success

Highly pleased with the results of the card party recently given at Marin School, H. F. Hexner, chairman of the affair, said that over \$100 had been cleared. This sum is to be divided between Boy Scout Troop No. 42 and Cub Pack No. 3.

Today members of both groups planned to visit the Bethlehem Shipyards and inspect the M. S. Alexander.

New Cub Packs will be started in University Elementary School, Cornell School and Hillsdale School. In conjunction with this a course in Scout training will be inaugurated at the former school in Berkeley. Meetings will be held every Monday evening during March.

Next Tuesday evening a Court of Honor and investiture will be given at Marin School. Victor Lindblad of the Berkeley Scout Council will address the assemblage on Scouting.

Patrons Assured
Real Service by
Les C. Firestone

Les C. Firestone, Oakland's Ford dealer, is located at 6300 College Avenue, near Alcatraz. His interest in patrons does not cease with the sale of the car. From the time you first enter this establishment, through the entire life of the motor vehicle, your purchase, they are at your service and their one endeavor is to prolong the life of your car and aid you in economical and efficient transportation.

Mr. Firestone feels that a great deal of the pleasure of owning a car is created by friendly, kindly association with the dealer, and always stands ready to cooperate in every way possible with the purchaser.

There is no line of cars that have increased their popularity faster than the ones bearing the famous Ford name.

The new models maintain the Ford standard of offering a high grade completely equipped car at a sensational low price.

Thus Ford keeps faith with its policy of progress.

Now more than ever before—no matter what car you buy or what price you are willing to pay—you owe it to yourself to see the new Ford models first.

Aside from selling Fords, Les C. Firestone sells many used cars that have thousands of miles left in them and they sell at prices low enough to make them "good buys."

Milk and Cream of Pioneer Farm
Creamery Produced by Own Herd

The food value of milk and dairy products has so conclusively proven by scientific research that no comment on that score is needed here. It has been definitely established as an essential part of the diet for adults and for children an absolute necessity, if health and normal growth is to be maintained. Because of this importance to her family, careful mothers are keenly critical of the food value and quality of milk and milk products used in her home.

The large demand for Pioneer Farm Creamery products, by East Bay housewives, is a testimonial therefore, not only to the quality of the products but to the service given and the competence of able management.

The confidence of the public in Pioneer Farm Creamery is well placed. Their milk and cream comes from their own herds, regularly T.B. and blood tested, and milk is delivered to you under the most rigid rules of sanitation that modern science has invented.

Experts are constantly on guard to insure the food contents and purity of the products and to put into effect any innovations that will better serve their patrons.

The Pioneer Farm Creamery is locally owned, employs local help and makes regular delivery to their patrons' homes. If you prefer to try Pioneer milk or products, just phone Berkeley 4613, or stop at Derby and San Pablo and immediate delivery will be arranged. You will be pleased with both the quality of milk and the splendid service.—Advt.

Fine Spanish Food
At Garibaldi Cafe

When the people from Albany go to Oakland, the thought that always enters their mind is, "Where shall we eat?" This can be answered

by eating at the Original Garibaldi Tamales Cafe, located at 523 11th Street.

At Garibaldi's the customer can always be sure of getting a meal that will satisfy both the heartiest and the most finicky appetite. You may obtain the finest in American dishes as well as the most delicious of Spanish Tamales, Chili, Enchiladas and other famous Spanish dishes that tempt the epicurean.

A point that should be stressed in writing about this well known restaurant is that a steam stand is maintained for those who may desire to purchase tamales, chili, enchiladas and other dishes for home consumption.

All ingredients used here are the best money can buy. That is one of the reasons why the clientele of this fine old East Bay institution has grown until today it is one of the most popular eating places in Oakland.—Advt.

In a nutshell, that's the reason behind the Life-Saver Golden Ply that's found in every Goodrich Safety Silvertown! This layer of special rubber and full-floating cords, is scientifically treated to resist this terrific internal heat. It keeps rubber and fabric from separating. It keeps heat blisters from getting started inside the tire.

And when you prevent the blister, you prevent the high-speed blow-out. Yet think of it! No other tire has this amazing Goodrich invention.

Can you honestly afford to be without the protection of these safer, tougher, longer-lasting Silvertowns? Especially when Golden Ply Silvertowns cost even less than other super-quality tires? Keep off the accident list. Drive in now and let us equip your car with this life-saving tire.
